God bless you for your sacrifice of time, sleep and food on behalf of lost souls and the needs of others.

Pastor Appreciation Month

We appreciate all the work that our local Pastors and their wives have been doing especially this year. We invite you to text, email or call them and let them know how much you appreciate them. #ILoveMyPastor

Worship & COVID-19 Update

As all of you are probably aware, with regards to Covid-19, our area has quickly changed from Zone Green to Yellow to Orange and now we have been designated Code Red. As a result, there are more restrictions on our activities. Thankfully, houses of worship are still permitted to operate but under stricter guidelines. Please note the following:

1. Services are no longer open to the public. Instead, the limit is now fixed at only 25 people in the

church building at any given time. Therefore, precautions must be taken to see that we do not exceed the limit. When transitioning between groups, please allow time for your group to finish, sanitize and exit the building before the next group arrives.

2. Social distancing regulations still apply – 2 meters distancing between people who are not from the same household. This applies while entering and exiting the premises as well as inside and outside the building. (... continue on page 2)

3. Masks are to be worn at all times while inside the building with the exceptions of the praise singers while singing and the preachers and interpreters while speaking.
4. A register must be kept of all attendees at meetings including arrival and departure times.
5. Hands are to be sanitized when entering the building.
6. Please remember that home group meetings are not permitted for the time being. Everyone is to remain with their own household at home. Visiting friends or even other family members who live in another dwelling is forbidden. There are penalties of \$1000 to individuals and of up to \$6000 for organizers who are caught transgressing this ordinance.

We want to have the privilege to remain open to live-streaming our services from the church building. So let us strive to avoid transgressing the regulations. We may not agree with everything that is being imposed upon us but, if we do not comply, we risk being shut down completely.

Let us keep in touch with God and with our loved ones. Keep in prayer and the Word of God and in worship, even though you may not be able to attend the church services in person at this time. Encourage one another, pray for one another and when the day comes that we can open wide the doors of the House of the Lord, we will enter into His gates with thanksgiving and into His courts with praise! God bless and keep you all in Jesus' Name! - Pastor Paul Graham
